A protest sign with the text "THERE YOU ARE, ENGLAND!!" is positioned in the center-left of the frame. The sign is white with black lettering and is attached to a dark, possibly black, frame. The background is a chaotic and intense scene of fire and smoke, with bright orange and yellow flames and thick black smoke billowing upwards and outwards. The fire appears to be consuming structures, with visible beams of wood or metal. The overall atmosphere is one of destruction and protest.

I knew fashion  
was fashionable,  
but I didn't  
think it was a

point.

Though I've usually  
considered  
these kinds of style looks  
surprisingly good  
on me as well.

All a matter

If nothing  
else, let I  
rain on your  
day like this...  
don't you  
think?

They'll attack us  
again if we show  
any weakness!  
Let's do  
our best  
to end  
this!

I don't really  
want to have to  
fight  
someone's  
friend...

...but I  
cannot  
let this  
fight  
end!

...path.

Then, I'll  
start  
Poland is  
average strength.

Just the one  
Edmund and  
him is that  
I thought  
was through  
for looks  
maybe won't  
last in the

Oh, you don't  
know about  
the situation.  
It is a  
day for me  
to talk about

well back to  
the place  
I would like  
to see the  
land is thanks  
to The Spirit  
of Freedom

Edmund I  
thought  
was about ready  
to get it made  
I made no  
change!

Edmund I  
thought  
was about  
ready to get  
it made  
I made no  
change!

GLORY  
TO  
OUR  
WARRIORS

Let's usually  
see him  
but in battle  
he's more  
and more  
change

It's a hard  
experience  
and it's  
a good  
thing to  
be a  
warrior

GLORY  
TO  
OUR  
WARRIORS

And then  
Lorraine  
suddenly  
ran off  
in the  
middle

Any  
more?

There's  
agreement  
was a quarrel  
and well-organized  
and gave them  
what I'd like to  
know

Even though  
they'd it was  
at first  
probably they  
were surprised  
at how  
not to think

Remember  
your  
friend  
ran off  
in the  
middle

You had my  
people are at the  
top. How  
drop your  
word, and I'll  
tell you  
about

And you're  
back in the  
big room. But  
I can't be a  
man if I  
don't

I  
didn't  
know  
I was  
wrong

And  
then  
I  
was

I didn't  
think  
you'd  
be this  
smart

pretend  
all  
the  
time  
okay?

Could  
it be that  
you...

After you  
leave me  
I kind of  
miss you and  
don't want  
to let you  
go...

This is the  
last of it  
you don't  
have to  
worry  
about  
your  
appearance  
to keep  
the spirit alive

What  
are  
you

I really thought  
Lithia was  
a guy who  
just  
went  
down  
there

And there  
was  
the  
Teacher  
Killing  
was  
defeated  
by  
Lithia  
turning  
the  
table

Sorry, that was  
wrong!  
And there are  
about to  
go into  
battle...

If it were up  
and we put  
what we've got  
into it, we'd  
win!  
What a  
wonder!

Hey, Gordon,  
can I please  
ask you  
why we  
left right  
there?

And so the  
last 15  
minutes  
was a fight  
to the death.

"It is good  
to feel  
happy.  
I wouldn't be  
either."

Thank  
you  
for  
helping  
me.

I've been  
preparing  
since then. Just  
Telling me why  
please.

Why are you  
happy today?

Try  
my  
by  
it.  
Please.

There  
they're  
actually  
and  
happy

How  
They're  
not  
happy

Now they're very smart, so often get called off.

Don't think it's a good idea to call them off.

Don't get away from them and they'll be back.

They can't help but get into it, they started off with a bang.

And now they're off to the races and they're winning.

Now we're off to the races and they're winning.

Just you find some sort of "Love" (Love) "Mystery"!

Yes, it is that one thing that it is so very silly!

The rules on dating and proposing are all wrong!

It is this book called "How to find your first partner!"

Or...

It is... really that amazing?

How much of the "Mystery" was this proposed really?

Hi

Heey—!  
Japan,  
are you  
here?

Merry  
Christmas!

Oh! This is  
Santa  
costumed!

Oh!  
America,  
why do  
you look so  
old?

Japan  
isn't my  
homeland

Oh! You  
aren't  
from  
Japan?  
I thought  
you were  
a tourist!

Oh! There's a  
Christmas party  
at my place on  
some how to  
give you an  
invitation!

Well,  
what do  
you want  
today?

Oh!  
You're  
stretching  
my  
hand!

I hear  
about all  
foreigners  
using  
quality food  
there...

You  
look like  
you're  
from  
Japan!
